Beautiful, Unique, Functional – Now that’s saying something

Make a unique style statement with long expanses of glass and the distinctive linear design of the ASSA ABLOY AA3582 MultiView doors. Constructed of 2” thick extruded aluminum rails and stiles, and built with the widest glass dimensions that safety and reliability standards allow, the AA3582 MultiView provides light, visibility, durability and a fresh, contemporary look. From automotive showrooms to chic restaurants and retail applications, these doors are the perfect choice for any building design that calls for the unique and the practical.

- Durable, 2” thick extruded aluminum stiles and rails
- Equal glass heights in all door sections
- Glass expanses up to 8’2” wide
- ClearView aluminum strut system provides strength without restricting the viewing area
- Can be operational or mounted stationary for a unique design solution
- Doors available up to 20’2” wide
- 31 glazing options
- Available in six anodize and 26 PVDF or powder coat finishes
- 5-Year Limited Warranty*
