Aluminum 2" sectional doors
ASSA ABLOY AA3552 and AA3502

ASSA ABLOY Entrance Systems

The perfect combination of strength and beauty

When light, visibility and style are as important as performance, aluminum sectional doors are the smart choice. The clean, contemporary design is perfect for automotive showrooms and service centers, fire stations, restaurants, sports complexes, car washes and more. Weather resistant and virtually maintenance-free on the exterior of a building, aluminum doors can also partition interior spaces when visibility, access and aesthetics are important.

- Sturdy 2" thick extruded aluminum
- Stile and rail construction secured with 5/16" Through Rods for strength and stability
- Available with a variety of glass options and solid aluminum panels
- Can be operational or mounted stationary as a chic alternative for al fresco settings
- Wind Load available
- 5-Year Limited Warranty**
