Commercial doors without the industrial look

When zoning requires your commercial building to look less industrial, the 1-3/8" ASSA ABLOY AE2731 rises beautifully to the occasion. The upscale appearance is perfect for areas that mandate a look in character with nearby residential buildings. Plus 27-gauge outer and inner panels with an energy saving polystyrene core provide just the right combination of strength and value in a medium-duty door.

- R-Value 6.7
- Woodgrain-embossed front panel gives a less industrial appearance
- Multi-step insulation system keeps the elements out with insulation, weather-stripping and a thermal break
- CFC-free Polystyrene insulation is eco-friendly and chemically bonded to the steel panels building strength and energy efficiency
- Available in four color options to better blend with building exteriors
- Wind Load available
- Available with Rapid Install VL
- 10-Year Warranty**
